MEMO PERD #24/02

August 9, 2002

TO: Department Directors
FROM: Jeanna Greene, Director
Department of Personnel
SUBJECT: FY 2002 Turnover Statistics

Enclosed are the following turnover reports for your agency for fiscal year 2002:

- Turnover by Department - showing all employee movement from one State agency to another and all permanent separations from State service.
- Turnover by Class by Department - reflecting all employee movement, other than automatic progressions, which results in a class code change and all permanent separations from State service.
- Total State Separations, representing total separations from State service by reason code.

We've also enclosed a copy of the statewide summaries of Turnover by Department and Turnover by Class by Department. This will allow you to compare turnover information in your agency with the statewide averages.

As you know, turnover information must be both accurate and meaningful to be useful as a management tool. As such, I encourage you to establish exit interview procedures if you haven't already done so, and ask your staff to be accurate and timely when reporting employee movement and separation on the personnel action form. If you would like assistance in establishing an exit interview process, please let me know. We'll be happy to help.
